

ECCO TASK RANGE

ECCO

The Ecco has been designed for the corporate executive who is looking for something more than just a chair, as it combines all the functionality of a task chair with all the style and aesthetics of an executive chair.

Clients can use the vast array of options and aesthetics to tailor the office landscape from the receptionists to the managing director without any loss in appearance or functionality.

Fitted with a synchronized mechanism, which has a 1:2 ratio (for every 1 degree of seat tilt, the back tilts two degree). Synchronized mechanisms are considered the most advanced as they mimic the ergonomic movement and posture of the human form.

Aesthetically it is a unique looking chair with is modern and up market appearance which will enhance any office interior.

Back Pattern

ECCO EC36A4B11

EC30 non tilt seat
 EC36 3 paddle
 EC39 syncro

DRAFTING

EC20D1 non tilt seat
 EC26D1 3 paddle
 EC29D1 syncro

SLIDE SEAT INSTRUCTIONS

The Slide Seat mechanism allows the seat to slide forward increasing the seat depth by 50mm. It offers 5 locking positions.

As depth between the back and seat increases it allows larger people more comfort.

To operate simply lift the handle and slide the seat forward or backward to adjust into a one of the 5 locking positions. The mechanism should find each locking position without any force necessary.

Sturdy Framac pursue a policy of continuous improvement and reserve the right to introduce modification when required and to withdraw models without previous notification.
