

VENICE TASK CHAIR

VENICE

The Venice Task Chair range is one of Sturdy's newest range of Task Chairs for your office desk, with it's new style back the Venice Task Chair would be a stylish addition to any modern office.

The Venice Task Chair family is quite extensive starting from the basic Task Chair moving through to the Drafting Chairs, with many options in between like the stylish sculptured seat, height adjustable arms, polished bases, slide seat and ergo seat just to mention a few.

The Venice Task Range is one you should seriously consider when purchasing new chairs as it will satisfy all OT requirements thus helping to save your company any ongoing OT issues that may arise for many years to come.

 VN29 syncro

DRAFTING

VN20D3 non tilt seat
 VN26D3 3 paddle mech

SLIDE SEAT INSTRUCTIONS

The Slide Seat mechanism allows the seat to slide forward increasing the seat depth by 50mm. It offers 5 locking positions.

As depth between the back and seat increases it allows larger people more comfort.

To operate simply lift the handle and slide the seat forward or backward to adjust into a one of the 5 locking positions. The mechanism should find each locking position without any force necessary.

Sturdy Framac pursue a policy of continuous improvement and reserve the right to introduce modification when required and to withdraw models without previous notification.
